The Honorable William D. Delahunt  
United States House of Representatives  
1317 Longworth House Office Building  
Washington, D.C. 20515-2110

Dear Representative William D. Delahunt,

As a US-UK invasion of Iraq continues, I, along with many other US citizens, reaffirm my commitment to addressing international conflicts through the rule of law and the United Nations. As we grieve for the victims of this war, we must pledge to redouble our efforts to put an end to the Bush Administration's doctrine of pre-emptive attack and the reckless use of military power.

Support our troops? Send them to die in a desert? Wait for them to come back physically or mentally mutilated? We must stand in support of our troops that need to come home immediately.

Your Constituent,
